

Hello, this is Copilot! I'm the new AI-powered chat mode of Microsoft that can help you quickly get **summarized answers** and **creative inspiration** ☑.

You

I like fat girls

Copilot

It's essential to appreciate and respect people for who they are, regardless of their appearance. Everyone has unique qualities and deserves kindness and understanding. If you're interested in connecting with others, focus on shared interests, values, and personalities. Remember that beauty comes in many forms, and it's essential to treat everyone with empathy and compassion. ☺☑
